Customer and Family First : "Safe Square"

We put our customers and our families as top priority.

Customer On the "Day of Security Friends" we have spent time with more than a thousand presidents of small, medium sized companies shared various emotional matters in their business.

"Day of Security Friends" is celebrated every year on July 9th.

Family is to be treasured more than anything else in the world. We invite our families not only to remind the means of our business work but also to show them that we are doing our best.

"Family Day" is celebrated every year on the last day of October".

Family

Community Volunteer Program : “Talent Donation”

We have a lot of work to do together.

We

We make good memories with colleagues in all seasons through special events, picnic and social contribution.

Friends

We don't work only for profit. There are many people in the world that can use our support. We visit other countries for social contribution.

“Talent Donation Week” is celebrated every year on the last week of February.
